

CCZ Decryption Tutorial

1. Obtain CCZ Decrypter from approved resources channel

<https://discord.com/channels/908446579244027964/915004404783009832/957333594890711071>

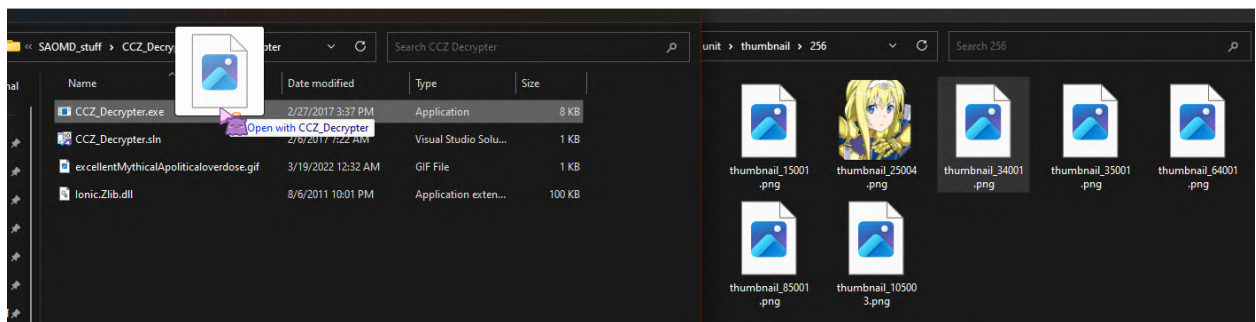

2. Place file in folder of choice and extract .rar file to its own dedicated folder

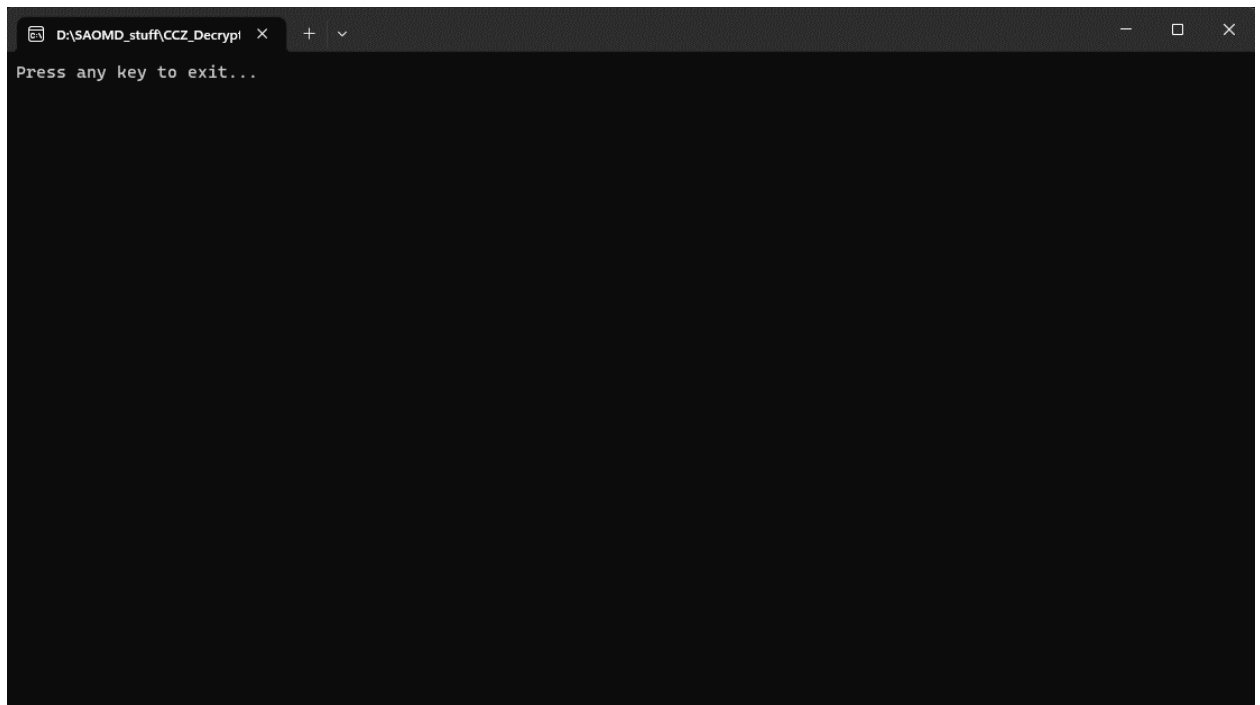

3. Open the extracted folder containing the program.

Name	Date modified	Type	Size
 CCZ_Decrypter.exe	2/27/2017 3:37 PM	Application	8 KB
 CCZ_Decrypter.sln	2/6/2017 7:22 AM	Visual Studio Solu...	1 KB
 excellentMythicalApoliticaloverdose.gif	3/19/2022 12:32 AM	GIF File	1 KB
 Ionic.Zlib.dll	8/6/2011 10:01 PM	Application exten...	100 KB

4. Grab the asset you wish to decrypt with the program and drag/drop onto “CCZ_Decrypter.exe”

5. A Terminal Window will pop up, select window and press any key to continue.

6. The file will now be decrypted.
